

## Prerequisite IBM Cloud Service

Date	08 November 2022
Team ID	PNT2022TMID38427
Project Name	Real – time River Water Quality Monitoring and Control System
Maximum Marks	4 Marks

## IBM Account Dashboard

The screenshot displays the IBM Cloud Account Dashboard. At the top, a dark navigation bar contains the 'IBM Cloud' logo, a search icon, and links for 'Catalog', 'Manage', and various utility icons. Below this, the main dashboard area features a 'Dashboard' header with a dropdown arrow and a 'Create resource' button. A 'For you' section follows, containing a 'Build' card with a blue gradient background and three tutorial cards: 'Discover the Watson Internet of Things (IoT) Platform', 'Set up your IBM Cloud account', and 'Build a web app with Watson Speech to Text'. Each tutorial card includes a description, a 'Getting started' button, and a duration (10 min or 15 min). At the bottom, there are sections for 'Planned maintenance' and 'Recent support cases', each with a 'View all' link. A blue 'View' button is also visible in the bottom right corner.
